# Charity Fundraising

12th June 2019

**Cardiac  
Risk in the  
Young**

Registered Charity No: 1050845

We're supporting the charity '**Cardiac Risk in the Young**' and raising money for the '**Bethany Mycroft Memorial Fund**' which will help to fund screening events, and allow us to host our own local screening event for 14-35 year olds.

We're looking for student/staff runners to join us at the Wirksworth Tunnels and Trails 10K run along the High Peak Trail (7:30pm start), or the 2.6km Fun Run, which is almost entirely flat except for the short and gentle Hopton Incline (6:30pm start). Alternatively run your own fundraising events in school on the 12th June.

**QUESTION:**  
how much can we raise together for charity? How can we do it? **EXPLORE** the options - will it be a 10K, a fun run, a cake sale, a sponsored silence?! **GIVE** it your all, and we'll **SUCCEED!**
