## **Chellaston Academy GCSE and Level 2 Examination Results 2024** **Press Release**

Chellaston Academy is very pleased with the examination results achieved by our Year 11 students. We are proud of their performance, and it is lovely to see that their hard work has secured successful and exciting opportunities and pathways.

Three quarters of our students achieved a grade 4 or above in both English and mathematics and over half achieved a grade 5 or above in both English and mathematics. Our average grade across all GCSE and Level 2 entries is a grade 5 and half of all students achieved at least one grade 7.

We would like to say a special well done to Miyuki Kitahara who has achieved grade 9's in all of her subjects and Alicia Banton, Emma Clifton, Eve Cook, Theo McKeown, Rosie Stanton and Daniel Zheng who all achieved an average grade between a grade 8 and a grade 9. Well done, these are exceptional achievements.

We are also delighted that the vast majority of our students have achieved their pathway of choice.

The school culture of 'inspiring each other to realise our potential through Integrity, Care and Excellence' is at the heart of everything we do, and students leave Chellaston Academy ready to be successful in their next stages in life. All of this success is not possible without the dedication and support from every member of staff at the school, and I would like to thank them all.

Anne Martin, CEO, also wishes to thank the staff for their hard work and commitment and congratulates the students, wishing them the very best for the next stage in their lives.

Kind regards

Phil Smith
